

COVID PROTOCOLS & PROCEDURES

The Park Circle Art Walk is an inherently safe and socially distant event. It was created because of COVID-19 so that people could view art safely outside and from a distance. Each artist sets up in their front yard around the neighborhood to keep a spread out flow of people. The following measures will be taken during the event:

1. All participants should stay at home if they are feeling sick. Any COVID-19 symptoms or known exposures should be reported to the organization.
2. Anyone with a temperature of 100.3 degrees or more should be self-reported and evaluated by a licensed medical professional before being cleared to participate.
3. Artists and participants are asked to wear masks during the event.
4. Artists and participants are asked to maintain 6 feet apart when possible.

Participation in the Park Circle Art Walk is voluntary. Participating artists acknowledge the assumed health risk.
